Plaintiffs' Verified Exhibit on Objection, Motion to Dismiss, Response to Motion to Quash  
et al and Motion for protective order

Comes now Susan H Mello for the Plaintiffs and for their Verified Exhibit on the Objection,  
the Motion to Dismiss and the Response to the Motion to Quash and states as follows

1. One of the issue of bad faith in the schedules is where Debtors in the April , August and  
September schedules as sworn to at the creditors meeting listed charitable contributions as \$170/mo  
to St Stans .

2 Just as the undersigned suspected the claim of \$170/mo was knowingly false .

3 The undersigned determined this by calling the church secretary on 9/29/16 asking what information would be provided without a subpoena and was Informed the records ( which show church envelopes of checks ) show the last time St Stans received anything from the debtors/defendant , it was March 2016 , and it was \$40 / a month, not \$40/ week , \$40 each in January , February and March. and none since.

4 The undersigned believes the information from the call to be accurate and believes it is practice to see entries are entered at the time and are kept current .
